Dear Mr. Lipton:

This is in response to your letter of May 22, 2019, to the Wayne County Sheriff.

You initially requested "Contracts and invoices related to the use of communication services at any and all correctional or detention facility locations under the jurisdiction of this agency. This may encompass money transfer, commissary transactions, telecommunications, email, kiosk, video visitation, and mobile tablet services." You did not however indicate the period of time that you were requesting these documents. The only date that I see in your letter concerning your request is in your paragraph 4 asking for "responsive policies ... since January 1, 2016."

I will need a definite response from you for the period of time you are requesting these documents. Then I hope to be able to give you the cost. There clearly are fees involved. These fees are allowed by the North Carolina General Statutes and will include cost per page as well as cost of time finding the documents and getting them together.

Because Wayne County is in its annual budget period, staff will not be immediately available.

With warm personal regards, I am

Cordially,

E. B. Borden Parker
